MEMORANDUM FOR:	OL	L		25 X 1
FROM:		ALA/MCD/CA		25 X 1
SUBJECT:	Briefing for S Committee Staf	enate Select fers	Intelligence	
1. On 20 February, of the Central America Branch briefed Senațe Intelligence Committee staffers Peter Sullivan and Gary Schmidt. of the Mexico Branch (ALA) and of Legislative Liaison were also present. 2. The staff members were principally interested in				25X1 25X1 25X1
comparing our estimates on Cuban and other Communist Bloc presence in Nicaragua with statements made on these subjects in the Kissinger committee report and by Dr. Kissinger in a statement to the press. There were some small discrepancies between our information and the public statement, but the staffers stated that the report itself corresponded to our estimate of the Cuban presence. Cautioned that our judgments can not be taken as criticisms of the report, and the staffers indicated they understood that point.				25 X 1
3. Questions were also asked about the status of the Salvadoran insurgent presence in Nicaragua and arms resupply to the guerrillas.				
4. The discussion was cordial, and both Mr. Schmidt and Mr. Sullivan appeared satisfied that their questions had been fully answered.				
5. No furth	ner action is re	equired.		25 X 1
